the national conservative government of hungary has been heavily criticised for its violation of eu values primarily the rule of law in recent years this book looks to the bigger picture in examining the rule of law debate between hungary and the eu it explores how certain elements of various hungarian constitutional reforms are interrelated and how the eu has failed to address the situation properly it is argued here that the reason the eu has been unable to enforce its values effectively in hungary stems from the misunderstanding that hungary kept the institutional design of liberal democracy but made it dysfunctional the debate with the eu is characterised as a dialogue of the deaf as the eu insists on advancing the rule of law agenda while the hungarian government defends itself by alluding to its democratic legitimacy the author contends that the hungarian government is in fact playing a charade while the actions of the eu maintain this drama the book will be of interest to students academics and policymakers working in the areas of constitutional law and politics eu law and populism

this edited collection brings together scholars and practitioners in every chapter to provide a comprehensive and unique exploration of courts in australia the primary focus is to identify controversies challenges and change in the form of potential reforms within the courts across australian jurisdictions bringing forward original research and scholarship on a wide array of courts in australia combined with insightful practitioner perspectives research will be effectively integrated with practice this book is the first comprehensive collection of its kind to canvas the diversity of courts in australia providing comprehensive critical analysis of contemporary issues debates and reforms it considers the array of courts across state territory and national jurisdictions in australia including coroners courts family courts criminal civil courts and problem solving courts it also adopts an intersectional approach providing insights into the perspectives of various court users such as people with disability ethnic minorities indigenous australians and victims of crime each chapter provides opportunities for further debate among scholars practitioners and students regarding potential future directions for reform to improve the efficacy equity and accessibility of australian courts this collection serves as an international ready reference for students scholars and practitioners alike

assaults on religious liberty and traditional morality are growing fiercer here at last is the counterattack this revised and updated paperback edition of the acclaimed conscience and its enemies showcases the talents that have made robert p george one of america s most influential thinkers here george explodes the myth that the secular elite represents the voice of reason in fact it is on the elite side of the cultural divide where the prevailing views are little more than articles of faith conscience and its enemies reveals the bankruptcy of these too often smugly held orthodoxies while presenting powerfully reasoned arguments for classical virtues in defending what james madison called the sacred rights of conscience rights for which government shows frightening contempt george grapples with today s most controversial issues same sex marriage abortion transgenderism genetic manipulation euthanasia and assisted suicide religion in politics judicial activism and more his brilliantly argued essays rely not on theological claims or religious authority but on established scientific facts and a philosophical tradition that extends back to plato and aristotle conscience and its enemies sets forth powerful arguments that secular liberals are unaccustomed to hearing and that embattled defenders of traditional morality so often fail to marshal
